RE: Mancuso v. State Coastal Conservancy, et al.; Easement  
Over 27910 and 27920 PCH, Malibu CA

Gentlemen:

This is to notify you of the scheduled date when the Conservancy's agents and/or staff will be present on the above-referenced easement and on portions of your clients' property to perform geotechnical work. The date will be Friday July 10, 1998, and it is anticipated that Mr. Hugh Robertson (subcontractor of Charles Rauw) and possibly myself will be on the properties.

As I informed you by letter dated June 5, 1998, it is projected that this will be the Conservancy's last visit to the easement and adjoining properties for data collection purposes. Thank you in advance for your cooperation in allowing the Conservancy to complete this task, and please take the appropriate measures (notifying staff, residents, etc. on the properties) of the Conservancy's presence on the properties on this date so that access to the property can occur without incident. Thanks.

Very truly yours,

  
James L. Pierce  
Staff Counsel
